Year 2 trip to Windsor Castle

Spring Fair

Highlights

FAST Museum Otters had the most fabulous morning at the FAST museum in Farnborough, a great ending to our learning all about a local inventor Samuel Cody—did you know that his first flight took off from Farnborough Common!!

Children's Mental Health Week The whole school has had a very busy week carrying out different activities as part of children's mental health week. The theme this year was 'Know yourself to grow yourself'. We have been exploring our feelings and emotions by reminding ourselves of the zones of regulation and also exploring the different emotions from the Disney movie 'Inside Out'. The children have enjoyed talking about the different characters and about times where they have experienced the same feelings. To help us know ourselves better we have created a toolbox to help us when we may be feeling sad, overwhelmed, worried, tired and all other emotions. We also looked at the story 'Perfectly Norman' and talked about the importance of being yourself. All the children have created wings that are unique to them, sharing with others some of their favorite things, colours and people. The children enjoy a whole school walk around the church to remind us that sometimes we need to take a break and enjoy nature to help ourselves feel green and focused.

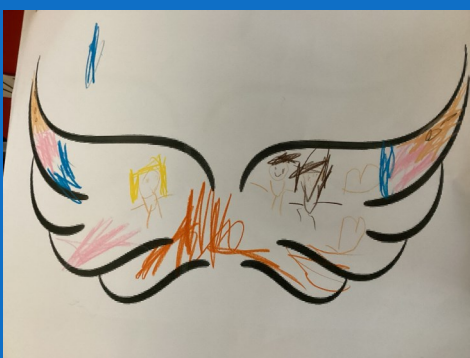

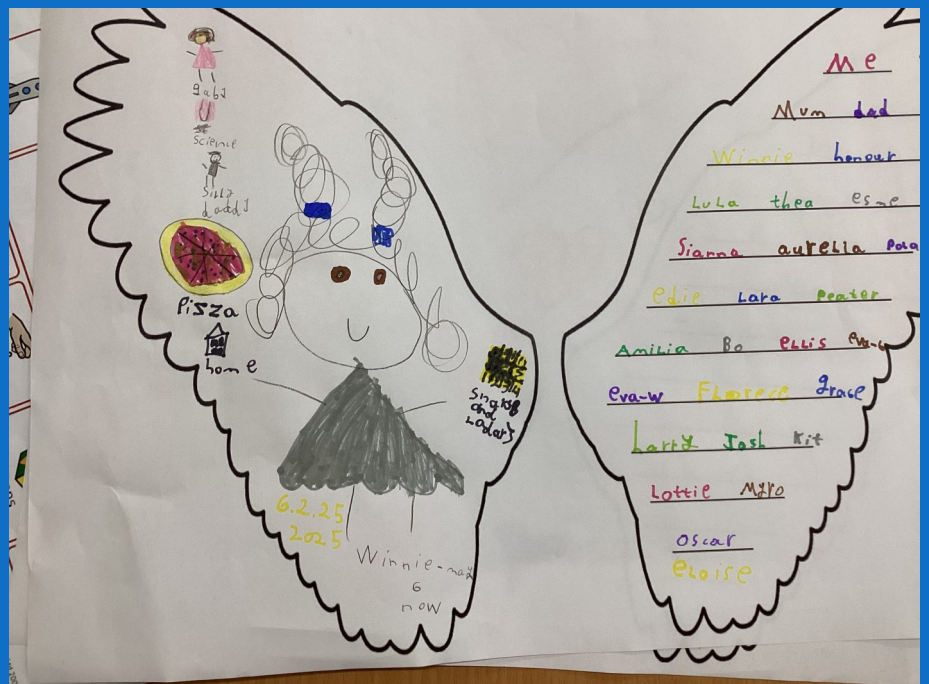

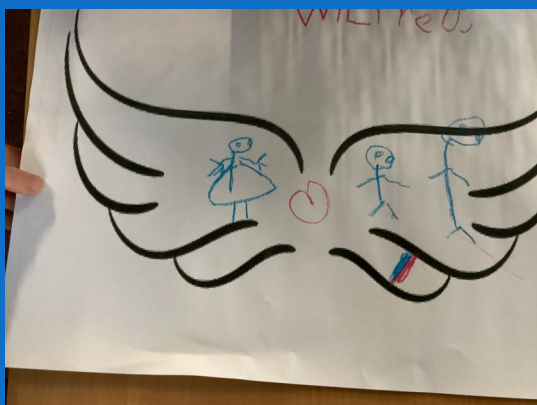

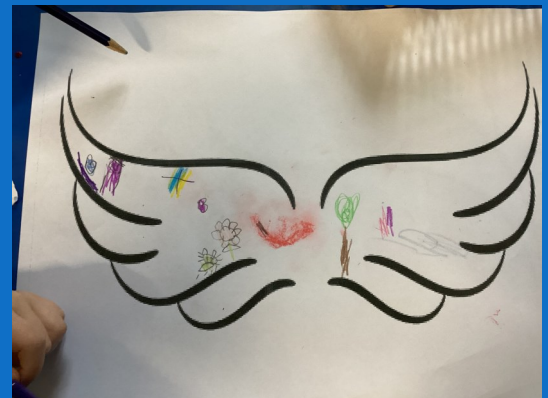

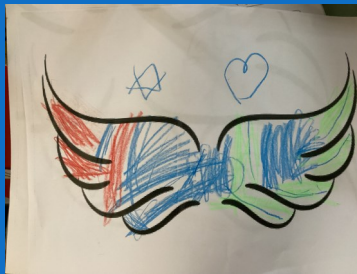

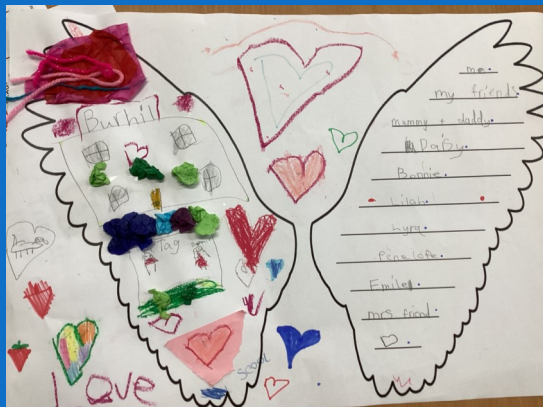

Caterpillar's Egg Drop In our story this week the 'egg' stepped into space because he wanted to fly. The egg began falling so we decided to try to make a protector to stop it from breaking when it reached the ground. In drawing club we designed a protector and wrote a list of the materials that we needed. We had lots of fun testing our protectors to see if they saved our eggs or if they cracked.

A Gentle Reminder....

- Early morning work starts from 8.25am, so please do arrive on time each day
- Please allow 48-hrs off school following any sickness or Diarrhoea
- Please **LABEL EVERYTHING!!** Reuniting missing items with their correct owner is much easier when things are labelled

A Note From The St Andrew's Team

It has been lovely to once again see the whole school come together and show their community spirit by supporting each other during children's mental health week. The children have been very good at helping their friends and making sure that everyone is in the green zone. Thank you to all the children who have auditioned for Farnham's Got Talent, we look forward to taking some children to another exciting event in the school calendar. Hope you all have a lovely weekend.

Bread freshly baked on site daily- Daily salad selection

ALLERGY INFORMATION:

If you would like to know about particular allergens in foods please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.
