Spring Fair

Highlights

Author Visit - We were very lucky to be visited by the author Alexandra Strick and Illustrator Steve Antony. They shared with us all the books that they had authored and illustrated. The children participated in an interactive reading of 'We Can', exploring all our differences and how we can celebrate being together.

Prop making—as part of our art this week Caterpillars explored prop making for their toys. The children enjoyed creating beds, suitcases, houses and much more. It was a very fun and creative way to end the week.

Shabbat—Today our beautiful butterflies all sat down together to enjoy their delicious meal. They prepared their own fresh pasta sauce as part of their DT project. It was a delight to see them serve each other on this day of rest.

William Cobbett Ball skills— Well done to the 12 year 1 children that took part and showed fellowship with other schools. Another fantastic experience for our St Andrew's children.

Windsor Castle The Otters had a great day exploring Windsor castle as part of their history topic Far-Far-Away.

A Gentle Reminder....

Thank you to those that are ensuring their children are wearing helmets and not riding in the playground, we really appreciate your efforts in supporting us.

A wall has collapsed in the alley leading to West Street — this footpath is currently closed.

Please can we ask that children have no more than small 1 bag charm per book bag, as they are not fitting in the book drawers.

A Note From The St Andrew's Team

It has been another week filled with lots of different experiences for our children to take part in. It is so lovely to see the smiles on all the children's faces each day. We are really proud of each and every child and are looking forward to another exciting week of learning.

FARNHAM Carnival

UNDER THE SEA

SATURDAY 28TH JUNE

“The Farnham Carnival, run by the Hedgehogs, will feature a spectacular Parade with around 40 floats winding through the town, along with a lively Fayre filling Gostrey Meadow.

This year, we’re diving into the theme “Under the Sea”, bringing a splash of ocean magic to Farnham! We’re looking for creative and colourful Parade entries inspired by the wonders of the deep – think sea creatures, mermaids, pirates, and all things aquatic!”

WE NEED A CARNIVAL TEAM!

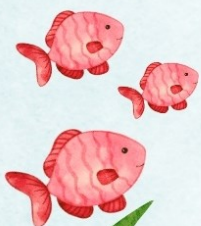

We need a team of parents to plan and coordinate the creation of our school carnival entry. Ideally we would love a core team to be represented by each year group and different to the PTFA team, as organising the Spring fair will overlap.

Please discuss within your class chats and find one or two people who are willing to be part of the team. It’s a great event for the whole family to take part in creating and also be involved with on the day.

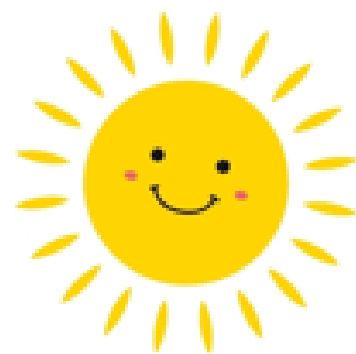

Lots of help and advice can be provided by people who have been involved in previous years, so please don’t be put off by not having any prior experience.

Please can you confirm your class carnival team reps by Friday 14th March so that planning can be started prior to the Easter holidays.

Thank you

ALLERGY INFORMATION:

If you would like to know about particular allergens in foods please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.
