Otters Class are attending Forest School each Wednesday afternoon through until (and including the 12th February). For Forest School to go ahead,

we are very much reliant on parent walkers accompanying the children to Potters Gate each week. We require 2 parents each week, departing St Andrew's at 1pm. Thank you to all those that have already volunteered and we would be very grateful for any future help. Please email the School Office if you are able to be added to the rota. Thank you in advance.

## Highlights

**Sgraffito** Otters created their own paintbrushes using branches of a Christmas tree. We then used them to learn the skill of sgraffito. This technique consists of using a base colour, then covering it with another colour. We then used the paintbrush to scratch patterns.

**Darwins Kingdom** - This week the caterpillar Class enjoyed an exciting visit to Potters Gate to see different reptiles to start our topic of 'Brilliant Beasts'. We got to look at, stroke and hold four different reptiles. We saw a gecko, a blue tongued lizard, a tortoise and a boa constrictor. We were all very brave and we enjoyed asking lots of questions about the different reptiles.

**Victorian Day** Butterfly Class had a great day as Victorian school children at Farnham Museum. They were inquisitive historians asking and answering questions and investigating Victorian artefacts. What a great day in their Victorian school.

**Don't forget Otters need to sign up and pay for the trip via ScoPay to the FAST Museum on the 4th February**

### A Note From Mrs Lloyd,

*A big well done to all of the caterpillars who are making the journey from the gate to the classroom independently. They have really risen to the challenge and are proud of themselves for doing so! Butterflies looked suitably 'Victorian' on Thursday, including Mr Hallett and Mrs Davis - let's hope they don't try to make us stand in the corner and write on slate!*

*Wishing you all a wonderful weekend*

### ALLERGY INFORMATION:

If you would like to know about particular allergens in foods please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of cross contamination.
